The Erlanger Police Department exists to serve the citizens of Erlanger & Crescent Springs. The members of the department are challenged with solving problems each day that are unique to the lives of the citizens of these communities. We take pride in the manner in which we serve the community and hold ourselves to the highest standards.

We encourage and are open to comments and suggestion from the community. We value cooperation between the community and the department. We hope that you will become involved in the community and share any information or ideas that will make our communities safer places to live.

This web page is designed to give you a brief overview of the Erlanger Police Department. You will find several opportunities to become involved with the Department. We encourage you to become involved in one or more of our programs.
